Marienville Trail Riders Club trip to the Upper Peninsula - 2019

30 club members from the Marienville Trail Riders Snowmobile Club spent a week at Pine Bluff Resort in Curtis, Michigan. Most club members arrived on Sunday, February the 17 and were able to check out the trails on that first day. On the second day, the club took a trip to Mackinac Island crossing the infamous ice bridge and making the 7.9 mile trail around the Island. The members had a great lunch on the island at the Mustang Restaurant and headed back to Curtis via Naubinway. Total miles travelled was 194 , arriving back to a well enjoyed hot tub. Tuesday, the club took a trip up North to Paradise and stopped at the Tahquamenon Falls for freshly brewed root beer. After recording 134 miles some of the group took off to the pool and hot tub. On Wednesday they travelled north again and stopped at Pine Stump for lunch for a total of 145 miles. Thursday, the club took a ride to Grand Marais, stopping at the brewery for their great tasting creme soda and lunch. Again, the club road back to Pine Bluff Resort for more hot tubbing, swimming, or story telling. Total mileage was 135. The highlight of the day was going to Chamberlains for a great steak dinner. On Friday, the club made a short trip to Bear Trap for their fresh out of the oven apple dumplings. Friday's mileage was 109 for a weekly total of 742 for one group. The club would like to thank Ray Bish, Joe Rogers, Byrum Compass, and Joe LeClair for splitting up the groups and leading the way. As Gabby Burkhardt would say, "it's not the miles, but the smiles". Everyone had lots of smiles! Most members put on over 800 miles for the week, but some members recorded over 1000 miles in the five days they road. The snow was deep and the trails were in excellent shape. Even though we had to return a day early , because of a potential storm, the club is looking forward to next year or possibly another trip this year.....Jerry Thornton
